Zepp Memorial Flagpole Walkway

Hospice of the Foothills is honoring the life and philanthropy of Eugene J. Zepp and Nina Leu Zepp through the installation of a memorial flagpole and walkway on the campus at 11270 Rough & Ready Drive, Grass Valley, California.

This is your opportunity to honor or memorialize those in your life who have served others, for example:

- Armed Forces/Veterans
- Health Care Providers
- Law Enforcement
- First Responders
- Firefighters
- Educators

The walkway of this memorial will be lined with bricks celebrating those who have emulated the Zepp's dedication to serving others, both through their professional life and philanthropy.

There are spaces for approximately 180 bricks. The first 72 bricks purchased will encircle the deck surrounding the flagpole. If you would like to purchase a brick, please complete the order form. *Your brick purchase is a tax-deductable contribution to Hospice of the Foothills.*
